HONOURABLE SRI JUSTICE L. NARASIMHA REDDY

WRIT PETITION No.9920 OF 2006

ORDER:

The petitioner states that his father purchased an extent of 23 cents of land in Survey No.454/1 of Vippamanipatteda village of Chittoor District. According to him, the land in the adjoining Survey No.455 belongs to Government and out of it an extent of 50 cents is under their occupation ever since the year 1984. The grievance of the petitioner is that the respondent is proposing to lay a road across Survey No.455, and states that in such an event, his only livelihood would be adversely affected and he seeks appropriate direction in this regard.

Heard the learned counsel for the petitioner and the learned Government Pleader for Revenue.

Even according to the petitioner, the land in Survey No.455 belongs to Government and as of now, he has not been granted any orders of patta.

Learned Government Pleader for Revenue submits that the said land is classified as kaluva poramboke.

The question as to whether the petitioner can be permitted to cultivate the land or that the same is needed for any public purpose needs to be examined by the revenue officials concerned. In view of the allegations of the petitioner that he is in possession of 50 cents of land in Survey No.455 for the past several years, the representation dated
13-03-2005, said to have been made by the petitioner, shall be taken into account, before any further steps are taken.

The writ petition is accordingly disposed of directing that the respondent shall take the representation dated

13-03-2006, said to have been submitted by the petitioner, in to account, before the land in Survey No.455 is put to any other use.
